

Pat Petrillo Clinic Requirements Rider

Please print this Rider if you will be having Pat in for a clinic

Equipment Requirements

- Taye Studio Maple Kit (10", 12", Toms 16" Floor, 14" snare, 10" Satinless Steel Snare, 22" KIK)
- 6 Cymbal Stands placed as per diagram on Setup Page
- Xtra 14" Snare drum out front
- Set Drums up facing sideways, so audience can see Pat perform
- Pat will bring his own Zildjian cymbals

Audio Requirements

For most clinics, Pat will need amplification to mix with the music tracks he plays

- Pat will bring his own mic's and mixer. Stereo out to P.A.
- P.A. is needed for the audience, and a sound man
- Talk mic, for out front

Other Requirements

- Please have bottled waters (Propel Lemon would be great)
- Towel
- Please have place for Pat to change clothes
- Provide place where Pat can "Meet and Greet" in Store after clinic to sign.
- Please hang banners of sponsors prominently
